

Opening: About the program

A new organization, a new format

Patrick Aerts

Welcome to Copenhagen

The first thing to do:

- Thanks to the local host
- Thanks to the local organization
- Welcome to the members and guests

The format

- During the constituting meeting the emphasis was on power pitches by the participants
- In the present format the emphasis is on elaborating the actions lines of the Annual Plan -> workshop format
- In addition we scheduled: key notes, introduction new members, best practices and a formal meeting regarding the organization as such
- It is later proposed to keep this format as guideline for future meetings

Elements of the Agenda

- Key notes by
- Dr. Frank Seinstra, director science program, NLeSC
“Broadening the scope and impact of eScience”
- Prof. Ingela Nyström, Director eSSENCE , eScience in Nordic Europe
“A case study: Swedish strategies for research infrastructures from an e-Science users perspective”

Elements of the Agenda (2)

- Introduction new members
 - Switzerland
 - Ireland
 - STFC (UK)

Elements of the Agenda (3)

- Best practice Session I:
- Lene Krøl Andersen, Denmark
- Dieter Kranzlmüller, Germany/Sergio Andreozzi, Italy
- Panos Louridas, Greece

Elements of the Agenda (4)

- State of affairs regarding PLAN-E;
 - Formal agenda
- 17.00-18.00 : buffer time/time to change for dinner
-
- 19.00-+/-21.00 Dinner

Elements of the Agenda (5)

Tomorrow

- Best Practice Session II
- Michele di Lorenzi, CH
- David Wallom, UK
